Call for nominations to the Joel D. Kopple Award

We are calling for nominations for the IFKF Joel Kopple Award, for outstanding performance of an individual or organization on the prevention, detection and treatment of kidney disease. The award will be presented at our Annual Meeting, JULY 9—12 2015 in Tokyo, Japan.

For additional information please visit our website: http://www.ifkf.org/awards/joel-d-kopple-award.html

Let us know if you have any questions, please contact Cinthya Uzcategui, email address: cinthya.uzcategui@ifkf.org.

We would like to receive more information about the activities and programs of your organization. Share information with us, so we can share this with all of our IFKF’s members.

See Inventory of Educational Publications:  http://www.ifkf.org/education-and-resources.html

Useful information for Healthcare Professionals and Patients is also available at: http://www.ifkf.org/partners-links/recommended-links.html

Do not forget to send pictures of your WKD activities!

Visit us at our booth Nr. D09-C at the WCN 2015!
